

Communism And Moral Decay

By David J. Stewart | March 2007 | Updated November 2015

"Lest Satan should get an advantage of us: for we are not ignorant of his devices."
—2nd Corinthians 2:11

The average person today is woefully ignorant about so many things. I say this with great sadness, for our ignorance is Satan's greatest advantage over us. I recently read an interesting book by William Guy Carr, titled, "*PAWNS IN THE GAME*" (1958). Here's a quote from page 126 that should concern parents out there...

Lenin had said: "The best revolutionary is a youth devoid of morals." His word being law in Communist organizations, all members work secretly to make young people of both sexes anti-social and immoral. Children up to teen-age are taught to rebel against the discipline of the home. Parents are represented to their children as old-fashioned. Parental authority is scoffed at. The subverters argue that parents have lied to their children since they were old enough to listen, regarding Santa Claus and where babies come from. The subversives claims parents are the victims of reactionary teachings and capitalistic exploitation. The child is encouraged to *educate the parents in regard to modern and progressive ideas*. They are warned that, for their own good, they must refuse to be dominated or disciplined by their parents. The purpose of this subversive campaign is to destroy the sanctity, and unity, of the home *which is the foundation upon which our civilization is founded*.

What a powerful mouthful of truth! Kids today are being brainwashed by television (i.e., hellivision) and music to have no morals, and to backtalk (sass) their parents. That's exactly what the Communists want. It's not uncommon these days to hear children on TV telling their parents to *grow up* or to *be quiet*. The same defiance is found in movies, whether by *Walt Disney* or *Warner Brothers*. Music is without a doubt the biggest offender. There is nothing more detrimental to the spiritual growth of a teenager than

worldly music, which captivates the soul, and preaches a gospel of SELF, SEX, and SATAN.

There is a sinister agenda at work in television and movies today, which is committed to the corruption of our youth's morals and faith in the Bible. Take for example, Walt Disney's blasphemous [Bridge to Terabithia](#), which denies the existence of Hell, and teaches youth that open-minded people could never believe in eternal damnation. Teenagers today are under attack by Satan like never before!

The Sinister Agenda Behind the Moral Corruption of American Society

It is not by coincidence, nor by natural occurrence, that America is plagued today with whorish singers and actors who are being featured on Prime-time TV, Sesame Street, Nickelodeon, and everything pertaining to teenagers. It's all deliberate, intended to eliminate courtship, replaced by sexual promiscuity. Teen girls are being conditioned to behave like homosexuals, who don't marry and have children...

ERASING GENDER IDENTITY

FEMINISM & HOMOSEXUALITY; HOW HETEROSEXUALITY WORKS

Feminism, our official gender ideology, masquerades as a movement for women's rights. In reality, feminism is a cruel hoax, telling women their natural biological instincts are "socially constructed" to oppress them.

Feminism is elite social engineering designed to destroy gender identity by making women masculine and men feminine. Increasingly heterosexuals are conditioned to behave like homosexuals who generally don't marry and have children. Courtship and monogamy are being replaced by sexual promiscuity, prophesied in Aldous Huxley's *Brave New World*.

The Rockefellers and Rothschilds created feminism to poison male-female relations (divide and conquer.) Their twin objectives are depopulation and totalitarian world government. Why? These bankers create money out of nothing and think they are God.

"Cruel Hoax" shows the connection between feminism,

Communism and 9-11. It examines male-female relations and shows how we can take back our heterosexuality.

SOURCE: [Dr. Henry Makow](#), Ph.D.; *CRUEL HOAX: Feminism & The New World Order*.

In Miley Cyrus' vile song, [CAN'T BE TAMED](#), she promotes fornication, rebellion, being whorish and lewd, promiscuousness, partying all night long, getting down, acting crazy, et cetera. This is exactly what the perpetrators behind the New World Order want, i.e., to create a sexually-degenerate society through the use of sexually-degenerate celebrities, movies, music, magazines and television.

In so doing, gender identity is erased, courtship and marriage are eliminated, and parents become mere incubators of servants of the Police State. Moral corruption ALWAYS leads to political subversion! An immoral nation devoid of God cannot maintain its social integrity. We are witnessing the breakdown of American culture, into chaos and ruin, [from which will emerge a dictator](#)—the Antichrist!

America is doomed. I believe we are at the point of no return, because of the filthy trash who own and control the media (television networks, Hollywood and Walt Disney). People sit in front of their TVs as if worshipping a god. As long as people get all their information from the TV, they will become more foolish, dumbed-down and brainwashed. The moral decline in America will continue its downward spiral into the abyss of Hell and damnation.

There will be fewer marriages because of fear of divorce and all its woes. There'll be a lot more shacking-up because of sexed pigs like [Katy Perry](#) and Miley Cyrus (teaching teens to fornicate and forget about marriage). I dare you to name one sleazy whore singer today who praises the institution of marriage in her music. Name one! It would hurt their sin-glorifying career. You don't become rich and famous in the Pop music industry today unless you're a worldly, compromising, filthy piece of trash. You MUST be supportive of gay rights to make it in Hollywood, music or Broadway.

Then there's the \$50,000,000,000 a year lucrative divorce racket. Destroying marriages has become big business in America! Greedy lawyers and judges prey upon hurting and broken families! There's a special extra hot place in Hell reserved just for lawyers, prosecutors and judges. The damage of their reckless predatory practices has taken its toll. Over 11,000,000 Americans now live alone over the age of 65. The crooked courts, cutthroat judges, greedy lawyers, insane paranoid *domestic abuse* laws and over-reactive thug police have turned marriage into a hellish nightmare.

A lot of people prefer a simpler life rather than all the emotionally-draining, drama, trauma and financial woes. Marriages today are a ticking time-bomb! A marriage license has now become a weapon for a disgruntled spouse! The entire entertainment industry encourages premarital sex, [pedophilia](#), lasciviousness, adultery, unforgiveness, vengeance, divorce and homosexuality. [Young People: Don't Grow Up To Be Like Lewd, Shameful, Sellout, Taylor Swift](#). The Illuminati want to destroy the family unit, so that America will become weak, indifferent and vulnerable to takeover. This means that Christianity must also be destroyed. National sovereignty must go. Any loyalty to parents or national patriotism must be done away with. The state must become as God.

Parents will become mere incubators, as in North Korea today, producing servants of a Godless Global Communist Totalitarian Police State. Our nation has gone to Hell. While feminists, CPS and a rigged court system work relentlessly to destroy families over trifling matters, massive government crimes are completely ignored by the media, overlooked and no one is brought to justice. In fact, we have no country anymore because we have no borders anymore. The paid professional liars at Fox News, CNN, MSNBC, ABC and other mainstream media outlets are all controlled by the Illuminati. You are being lied to and deceived. Wake up!

Communism Thrives in a Selfish and Complacent Society that Doesn't Care

Communism is the machine of the Illuminati, i.e., the Luciferian-worshipping secret societies trying to usher in a One-World Global Communist Police State. One needs to only read the statements of social sickos like George Brock Chisholm to clearly see what the Communists are trying to achieve—the total eradication of Christianity, family, morality and the U.S. Constitution. Communism's goal is nothing less than totalitarianism, i.e., a global police state! Young people with no morals grow up to be rebellious adults with no concern for truth or justice. Thus, they are now easily recruited as willing servants of the secular Communist state.

This describes conditions in America today. Due to the Communist subversives of Rock 'N' Roll music, the feminist movement, the civil rights movement, the abortion industry and the homosexual movement—Americans today, by far, could care less about the murdering of 57,000,000 precious babies! This is unbelievable!!! When someone doesn't want you anymore in America, they just throw you away! Americans stick their parents in nursing homes. They throw away their children to be aborted and tossed into a bio-dumpster. Is it any wonder why Americans don't respect one another? One evil begets another evil.

I want to share with you some more quotes from *PAWNS IN THE GAME*, by William Guy Carr, because for a book written in 1958, you'd think he was describing social conditions today!

Public opinion is no longer aroused to action when the newspapers blandly report that several thousand Jews were systematically exterminated in gas chambers by anti-Semites, or that ten thousand Christians were martyred because of their anti-Communist convictions by Bela Kun or Chinese sadists. Such horrors are now accepted as every day occurrences. (SOURCE: *PAWNS IN THE GAME*, page 128, by William Guy Carr, 1958).

This describes America, Europe, Canada, and many other nations today where abortion is an every day, perfectly acceptable, occurrence! Truthfully, it is an abominable holocaust of epic proportions compared to the Jewish holocaust.

We are being rendered immune to the reactions we once experienced when violence of any kind came to our attention. We no longer are disturbed by the overthrow of established governments by force. If we

were, we would have done something to stop what has been going on. (SOURCE: *PAWNS IN THE GAME*, page 128, by William Guy Carr, 1958).

This could easily be applied to the war in Iraq. We've done nothing to stop the overthrow of Iraq by force. We have become a cruel, calloused, and heartless nation, clearly evidenced by the silence of the masses when [Terri Schiavo](#) was being tortured to death through dehydration and starvation in 2005. Where was America? We did nothing to stop it.

People listen to those who continually cry, as they did in Spain, "Communism can never cause a revolution here." They listen to those who give them a sense of false security. The majority of citizens are like children, who hide their heads under the blankets when they fear danger. It should be remembered that pulling the bedclothes over one's head never saved a person from an assassin, a rapist, or an exploding bomb. (SOURCE: *PAWNS IN THE GAME*, page 128, by William Guy Carr, 1958).

Wow! I couldn't have described Americans today any better! They are only listening to those who give them a sense of FALSE SECURITY! They are hiding their heads under their blankets. Please read, [It Can't Happen Here](#) by Congressman Ron Paul. These quotes from *PAWNS IN THE GAME* (and I highly recommend the book) should clearly evidence to you that history does repeat itself, or in other terms, people never learn!

It was the sinister Communist leader Lenin who said: "*The best revolutionary is a youth devoid of morals.*" America has plenty of such youths today, because of Communist influences still relentlessly at work. There is a direct correlation between a child's loyalty and respect towards his or her parents, and that child's moral character development.

Communism is not dead folks, it's right in front of our faces, which is why we can't see it today!!! If you don't believe me, prepare to be shocked. Read Karl Marx's [TEN PLANKS OF THE COMMUNIST MANIFESTO](#), and see [how America today is largely a Communist nation](#). Also, please read the [Communist Subversion of America](#).

Moral Corruption Through Movies and TV

[Hollywood is a lewd and immoral cesspool of iniquity](#). There is no greater source of God-haters, pornographic filth, blasphemous trash, and adulterous and violent garbage, than Hollywood movies.

Here is another excellent quote from *PAWNS IN THE GAME*, page 127...

Few people realize the important part modern movies play in subverting youth away from their homes, their country, and their religion. Many movies show an *hour* of film in which the criminals and

bad men and women do everything that is forbidden by our laws and moral code and devote one *minute* during which the law catches up with them, or they die because of their sins. Films taken of actual fighting during the Mexican revolution in 1913 were shown in Galveston, Texas. The sight of seeing men killed in battle, or being dragged from their homes and slaughtered by revolutionaries caused women to scream and faint, and men to vomit. Public opinion caused the showings to be prohibited. To-day these scenes are shown on films advertised as "Children's Special" for Saturday afternoon performances. That is just one illustration of how the general public, and particularly the children, have been systematically hardened to accept the sight of violence and bloody death as normal. (SOURCE: *PAWNS IN THE GAME*, page 127, by William Guy Carr, 1958).

What a contrast from kids today, who see people die almost daily on television. Society is being conditioned for what's ahead--totalitarianism. It's no coincidence that we're seeing SWAT teams featured on TV, in major cities all across America, destroying people's homes, entering and hauling American citizens away like Nazi-fascist thugs.

The public is being saturated with this type of activity, so it won't be so shocking when Christians and patriots are soon hauled away as terrorists, just as in the days of the Roman Empire. Saul in the Bible hauled Christians from their homes and killed them!!! These acts of darkness will soon come to America (John 16:2).

With the underlying Communist foundation in place, and the moral breakdown of the united States, it's just a short amount of time until we see the gates closing in around us, and the spikes coming out of the walls. Americans have been baited into a trap, by their own complacency and willing ignorance of the truth. At present, the federal debt is over \$27,000,000,000,000!!! We are headed for imminent national bankruptcy, and U.N. domination! National ID cards will be mandatory next year, because you won't be able to do business or travel without one. How near the mark of the beast must be!

The greatest corrupter of America's youth is TV! Cartoons are one of the most deceitful tools used by Satan today. Cartoons have traditionally been considered appropriate for children; thus, many parents today don't see the harm in certain cartoons. There is much suggestiveness, sexuality, rock-n-roll music, and subversive messages in today's cartoons. Parents would be wise to find other activities for their family. It's no coincidence that mothers are being forced into the workplace, while their kids are being brainwashed by hellivision.

Satanism Makes a God of Sex

Americans are in a comatose spiritual state of total denial. In the face of obvious subversion of America's youth with sexualizing music videos and ungodly Walt Disney programs that teach them to have premarital sex, parents actually support such evils. Truly, "The heart is deceitful above all things, and desperately wicked: who can know it?" (Jeremiah 17:9). ... "for the imagination of man's heart is evil from his youth..."

(Genesis 8:21). In the absence of the Word of God, evil prevails. America's children have relentlessly been indoctrinated with the cruel hoax of Evolution, taught that they came from a big explosion (Big Bang), consequent star dust and some slime that crawled out of the ocean, became a lizard, then a monkey, then a man! Is it any wonder why children grow-up to become dysfunctional U.S. citizens?

Now add to that spiritually-deprived child, the sexual perversion, selfish and destructive themes of music today aimed at youth, and you've got a juvenile delinquent. ...

"It is Satanism, as it is direct from THE TOP, which is responsible for the increase in juvenile delinquency, but those selected by the governments of the world to investigate this problem invariably give every CAUSE other than the right one." [emphasis added]

The Illuminati (globalist criminals, the ruling elite of the New World Order) created Naziism and Communism to achieve World Government. The common denominator in both schemes is Satanism. Research Hitler and Stalin's involvement with Satanism and occult practices and you'll see what I say is true. Winston Churchill was a druid witch. The elite who control the world are servants of Satan (the god of this world according to 2nd Corinthians 4:4), evidenced by Bohemian Grove, Skull and Bones, Freemasonry and other occult organizations. I am thankful for men like Cmdr. William Guy Carr, who courageously expose the Illuminati. I am going to share some quotes with you in a moment by Cmdr. Carr, which are very eye-opening, and you'll never look at Hollywood or today's sexualized music videos (which target young teenagers) the same again I assure you! Note: W.R.M. refers to "World Revolutionary Movement" (i.e., the Illuminati and their accomplices)...

"Actresses are given parts depicting them as being as promiscuous as the proverbial mink. This is Satanism in action. The purpose behind this is to break down the morals of the younger generation. If it is 'right' for their idols to live 'modern' and have sexual intercourse with every man who takes their fancy, the teenagers are led to believe there is no sin involved in living 'modern' also. Parents and ministers who say differently are branded silly and old-fashioned. Those who direct the W.R.M. AT THE TOP say, 'The best revolutionary is a young person absolutely devoid of morals.'"

Hidden history proves that General Albert Pike is one of those men for whom the Holy Scriptures tell us to watch out. In Matt. 24:24, Mark 13:22,14:56, etc., we are told false prophets and false Christs shall arise and shall show signs and wonders, to seduce (deceive), if it were possible, even the 'Elect.' Documentary evidence proves that Pike was not only a false Christ, he was, before he died, the High Priest of the Luciferian ideology on this earth, and as such, controlled the Synagogue of Satan. His military blueprint called for three world wars, and three major revolutions, to bring Weishaupt's revised version of the age-old Luciferian conspiracy to its final stage. In the 1860's he is recorded as saying his military programme might take one hundred years or a little longer to reach the day when those who direct the conspiracy AT THE TOP will crown their leader King-despot of the entire world, and impose a Luciferian totalitarian dictatorship upon what is left of the human race."

The "King-despot" mentioned by Cmdr. Carr will be the Biblically prophesied coming man of sin, THE ANTICHRIST! Albert Pike (1809-1891) foretold of World Wars one and two and has provided us with vivid details of World War three. Pike was a 33rd degree Freemason and an admitted Luciferian worshipper. The New World Order is upon us!!!

2nd Thessalonians 2:10, "And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved." In 2nd Thessalonians 2:3, the coming Antichrist is called "the man of sin," which is why only a world of sin will embrace him. Christianity is the arch enemy of the Illuminati and their diabolical plans for humanity. That's why Christianity must go if the New World Order is to succeed, and the Bible foretells that it will succeed at first, but then the Lord Jesus Christ Himself will put an end to all of it at His Second Coming, defeating the New World Order, the Antichrist and Satan himself. Even so, come, Lord Jesus!

In his excellent eye-opening book, "Satan: Prince Of This World," retired Navy Commander William Guy Carr (1895-1959) makes the following shocking revelation about the relationship between Satanism and immoral sex...

"Lust is sexual desire outside the Natural Law of God. Therefore Christ Himself seems to have confirmed that Satan was lustful and is father of the Synagogue of Satan as those who are Satanists teach and believe. Satanists have always used sex-bribery and the depravities and perversions of sex to obtain control of men and women they

wished to use to further the secret plans of their diabolical conspiracy. Satanism makes a God of sex. They worship the human body because of its sexual abilities. When men and women prove they are unyielding to all other forms of devilish temptation, they often fall as the result of becoming involved in illicit relationships and perversions. Did not David commit abominable sexual crimes, including incest?" [emphasis added]

SOURCE: Satan: Prince Of This World, by Commander William Guy Carr, p.22.

Now you fully understand the agenda behind all of the VH1 and MTV perverse music videos since the 1980's. Even the religious videos, like "TRUST ME" by Crystal Lewis, centers around her sitting on a bed throughout the video. In this ungodly video by Miss Lewis, "LORD I BELIEVE IN YOU," the video is ALL ABOUT HER!!! And notice all of the pictures of her with one eye blocked (a popular occult practice in all major music videos), which is the insignia of the Illuminati (i.e., the All Seeing Eye). It's in all major movies, music albums and videos these days.

I highly recommend that you read William Guy Carr's numerous books. Satanists teach that Satan had sex with Eve in the Garden of Eden. Satanist's entire belief system is rooted in human debasing sex-perversion. Thus, Satanism and sex are inseparable. With this disturbing truth in mind from Cmdr. Carr, it will become obvious to you just how evil and dangerous the sensual, promiscuous and sexualizing music videos of Taylor Swift, Miley Cyrus, Carrie Underwood, and hundreds of other Satanic servants are!

The Moral and Economic Destruction of America Was Plotted a Long Time Ago

I also think the following quote is worthy of mention concerning the origin of Modern Communism...

Evidence will be produced to prove that Modern Communism was organized in the year 1773 by a group of International Money-Barons who have used it since, as their manual of action, to further their secret plans to bring about a Totalitarian Godless State. Lenin made this clear in his book *Left Wing Communism*. On page 53, he said: "Our theory (Communism) is not a dogma (Settled Doctrine); it is a manual of action. Many modern leaders have said and done the same things as Lucifer did during the heavenly revolution. There is no appreciable difference between *Red* and *Black Atheism*. The only difference is in the plans used by the opposing leaders to ultimately win undisputed control of the world's resources, and bring into being their ideas for a Totalitarian, Godless Dictatorship. (SOURCE: *PAWNS IN THE GAME*, page 4, by William Guy Carr, 1958).

How many Christians are aware of the Communist influences destroying America today? Tragically, many professed believers today are working to help the Communists, by promoting religious rock music, abortion, divorce, feminism, Harry Potter's witchcraft, homosexuality, and other forms of wickedness. Let us be clear here, the entire notion of a *New World Order* is rooted in a Communist agenda, which aims to bring to fruition a Global Godless police state!

The biggest enemies of this hideous evil are the Word of God, genuine Christianity, men of God behind America's pulpits, soulwinning churches, informed citizens, and strong families where mom obeys dad, dad loves mom, and the kids are saturated with the teachings of the Word of God.

William Guy Carr, in *PAWNS IN THE GAME*, states on page 178...

People who wish to remain FREE can follow only one plan of action. They must support Christianity against ALL forms of atheism and secularism. (SOURCE: *PAWNS IN THE GAME*, page 127, by William Guy Carr, 1958).

That is good advice! Christianity has few friends these days, i.e., genuine Christianity, which is centered in the Truth of God's Word.

So the next time you turn on the TV--seeing some half naked hussy behaving like a whore, or people making fun of the Bible, or see all the violence and crime--be forewarned that it is all part of a Communist agenda to corrupt your family. If you think that is ridiculous, then consider the words of Communist George Brock Chisholm, the first head of the *World Health Organization*, who decades ago in 1946 laid the blame for war and human conflict squarely at the feet of parents and Sunday schools teachers...

"To achieve world government, it is necessary to remove from the minds of men their individualism, loyalty to family tradition, national patriotism, and religious dogmas." —[George Brock Chisholm](#)

"...it has long been generally accepted that parents have the perfect right to impose any points of view, any lies or fears, superstitions, prejudices, hates or faith on their defenseless children. It is, however, only recently (1946) that it has become a matter of certain knowledge that these things cause neuroses, behavior disorders, emotional disabilities and failure to develop to a state of emotional maturity which fits one to be a citizen of a democracy..." -George Brock Chisholm

"The re-interpretation and eventually eradication of the concept of right and wrong which has been the basis of child training, the substitution of intelligent and rational thinking for faith in the certainties of the old people, these are the belated objectives of practically all effective psychotherapy." -George Brock Chisholm

The hidden secret behind Communism is that Wall Street bankers were instrumental in creating it. William Guy Carr's book, *PAWNS IN THE GAME*, exposes how every major war over the past 250 years has been deliberately caused, financed, and profited from by the money-lenders. As shocking as it may sound, this includes the *American Revolution* which gave birth to America.

On pages 49-58, William Guy Carr tells how the *American Revolution* was plotted and planned by the same international group which plotted the English and French revolutions; and how the international financiers obtained control of the American economy. You'll never hear the truth in a public school classroom.

"So, the ultimate purpose of all this attack on nationalism is to tear down national borders so that they can be replaced with a borderless world, a one world government.

The New Agers/Humanists/Communists/Masons want a one world government. They are confident that their goal will be achieved soon because they are creating the conditions that will persuade the people that they should adopt the world government when it is offered.

The family unit; the right to own private property; the national borders; the right to believe in a creator God; these beliefs will all be destroyed because the world must receive a world government supported by the planners inside the secret societies and the new religious groups.

The Moral Subversion of America Continues

An honest man resents when he knows someone is trying to sway his thinking through subliminal messaging. I don't watch much TV for this primary reason, because the Devil's crowd is relentlessly trying to change our thinking (i.e., there's a sinful agenda behind most of today's TV programming). Don't think it merely coincidence that ABC, owned by the Godless *Walt Disney* corporation, is pushing the motto nowadays... *A new kind of family*. This is open support for homosexuality, and it's disgusting. First, there's nothing "new" about the sin of homosexuality. Second, two lesbian-lovers raising children CANNOT be considered a family by Biblical standards. Those poor kids!

America has plunged over a moral waterfall, and it's all because of the Communist subversives of rock-n-roll music, the feminist movement, the civil rights movement, and the homosexual movement. The 48,000,000 million abortions in the U.S. have been the result of fornication, which is the lifestyle of Rock-n-Roll music. Feminist philosophy is also equally to blame. America is past the point of moral decay--we are now experiencing the moral ROT of the United States, and it stinks to Heavens pearly gates!

Brad Delp, lead singer of the earlier rock band *Boston* was known for his songs: *Peace of Mind*, *Don't Look Back*, *It's Easy* (taking it day by day). In his song, *Party*, on Boston's 2nd Album, Brad Delp glorifies the sin of fornication. Although a nice man by worldly standards, he lived a life of rebellion against God. He was a vegetarian for 37 years, and known to break out the apple juice after his concerts instead of booze. If there was one guy in Rock 'N' Roll who you'd thought was going to make it past rock's [DEATH LIST](#), it was Brad Delp; BUT, he tragically commit suicide in March of 2007 at age 55 with two charcoal grills in his bathtub.

The sinful world offers us the neon lit streets of Sin City, and the bigger-than-life thrill of Hollywood; but Satan knows they are all dead-ends leading people away from Jesus Christ. The world today SEEMS to offer young people very much through it's secular music, carnal philosophies, and sinful pleasures; BUT, 1st John 2:15-17 warns us that this life will soon PASS AWAY, and all that will matter then is whether we [obeyed the Gospel](#) or not.

We are living in perilous times today, just as 2nd Timothy 3:1-5 foretold. It is now 2011 and the world is a giant insane asylum. America's teens are under malicious demonic attack by every form of immoral trash imaginable. Consider Katy Perry's songs [ROCK GOD](#) and [TEENAGE DREAM](#); and her [sleazy lewdness](#); and her [praise of the homosexual lesbian lifestyle](#). I actually found backward masking clearly praising Satan in *The Jonas Brothers'* song, [KIDS OF THE FUTURE](#). So much for the wholesome 3 member boys band from [Walt Disney](#).

Katy Perry bought a \$2,700,000 penthouse in New York. She has become rich by going from gospel singer to a lesbian whore! Katy Perry is a lewd she-devil. She blasphemes God in the song [ROCK GOD](#), as does Selena Gomez. Perry invites males to stick their hands down into her skin tight pants in her song, [TEENAGE DREAM](#). The album is coated with cotton-candy scent; but it should smell like sewage and have maggots falling out of the album because it is spiritual rot. God help our teenagers in America!!! God help us!!!

Toby Keith praises drunkenness, leading millions of Country fans to [GET DRUNK AND BE SOMEBODY!](#) It's so wicked in the eyes of God. ACDC has sold over 42,000,000 albums of their *BACK IN BLACK* album just in the U.S. (featuring the blasphemous songs *HELL'S BELLS* and [HIGHWAY TO HELL](#)). The God-hating, [Dixie Chicks](#), have sold over 30,000,000 albums in the U.S., openly mocking God and bragging about getting drunk and committing adultery (to the melody of the gospel song, *I'LL Fly Away*). Blasphemy!!!

This whole nation has flown over the cuckoo's nest! The [USA is mentally-ill](#). Brian Warner (aka, [Marilyn Manson](#)) is a total fruitcake. The [inside of Manson's Antichrist Superstar CD](#) displays band members drinking Manson's urine through tubes attached to his crotch. Americans have bought over 11,000,000 albums from [Marilyn Manson](#), a degenerate God-hating freak who rips up Holy Bibles in concert, sells shirts that say "Kill Your Parents," and calls himself the "Antichrist." Marilyn Manson is of the Devil. Please watch, [THE SAD TRUTH ABOUT MARILYN MANSON](#).

God won't bless such wickedness! Take a look at how far we've gone down the spiritual abyss in the United States in 2014...

ABOVE: A satanic group in New York has raised \$9,000 online to erect a 7-foot statue of Lucifer and two children admiring him at the State Capitol Building in Oklahoma City. When finished, the statue will be coated in bronze. In 2012 the Ten Commandments were displayed at the State Capitol Building. Satanists want to put the statue of Lucifer right next to the Ten Commandments. The project is on hold as of January 2015, due to a crazed Satanist driving his car into the Ten Commandments in 2014 and destroying them at the State Capitol Building. This world has gone insane!

It Just Doesn't Make Sense

(MP3, Dr. Hyles; what has the Devil ever done for you? Why follow him?)

"The best revolutionary is a youth devoid of morals."
